

Dear Brothers and Sisters in Christ,

We had planned to produce *Systematic Theology (III) – Ecclesiology and The Doctrine of Holy Spirit* at the end of last year. However, because of personnel changes in the editing staff, the qualities of the VCDs that have been produced are not up to par. We have thus embarked on a re-production process in the hopes of producing better quality VCDs for distribution. As a result, there has been a delay in our production schedule. We thank members of the editing team for their efforts and diligence, and we hope to be able to complete the production of this series soon. Please remember this in your prayers.

We are grateful for the responses brothers and sisters shared with us on the materials they received from Smyrna Resource Center, Inc. (SRCI). We would like to share some of the feedback we received with you:

“Dear Pastor and Mrs. Wu,

How are you? Thank you for your service in the Lord and I have been moved to write to you to thank you for the Bible study materials that your organization has produced in the last few years. These VCDs have been tremendous blessings to us Christians. They are also very helpful in equipping us as Christians. May the Lord use these materials to further His kingdom.

We recently have been using the Old Testament History (II) materials by Dr. Paul Lai and we have benefitted so much from it. Even though I have been a Christian for many years, I never understood the contents of these books in the Old Testament, especially with so much material on genealogy and details on the construction of the temple. It was not until watching this series that I understood the truth and teaching embedded in these books of the Old Testament. Actually I often watch these VCDs more than once and each time I view them I get more out of the materials.

I have been praying for you recently, Pastor and Mrs. Wu. May God strengthen you and may more and more Christians utilize these rich and truth-filled teaching materials!

May God bless you richly!

Sister Huang in Christ

Dear Brothers and Sisters of SRCI,

Thank you for the VCDs you sent. We have been using your resources to develop written materials for discipleship training in Mainland China and have greatly benefitted from them.

Brother Shen

Thank you for your high quality VCDs. I have ordered them for our church and I am also using them to teach Sunday school classes.

Mrs. Liu (Pastor Liu's wife)

Greetings! Not too long ago in Hong Kong, I fortuitously bought the VCDs on Revelation produced by your center. I feel that I greatly benefitted from watching them. I acquired the attached "Order Form" online. My husband is an elder at our church and we hope that members of our church body can also reap the same value from these VCDs. You have done a wonderful job on producing these VCDs and they are of high standards in every aspect. We are truly grateful that we came into contact with you. May the Lord richly bless you!

Respectfully yours,
Sister Chen from Asia

Peace to you Pastor and Mrs. Wu,

Thank you so much for sending me the latest products from SRCI. I really treasure them because they are the bread of life and they are the precious jewels from heaven. Thank you so much for your vision and your service. Because of your efforts, your products have edified people who you cannot even imagine. There is a single mom in our Bible study group and she always asks to borrow the VCDs from me to watch. She has made such a drastic change in her life as a result of watching these VCDs. Now the first priority in her life is to serve the Lord. May God use these materials mightily so that more and more members of the family of God will be edified.

Sister Chan from Washington State

May more and more brothers and sisters and members of various churches use these VCD materials so that they may be uplifted. Please pray for our work so that we can continue to produce more teaching materials.

In Christ,

Nathan and Clara Wu
